SD OCS BN Commander

LTC Scott T. Petrik

MISSION STATEMENT

The SD OCS Battalion will conduct Basic Officer Leadership Course (BOLC) I training to evaluate and train leadership performance and potential in a consolidated OCS environment at Fort Meade, SD for Phase I and Phase II (Accelerated) Officer Candidates from 29 May 2009 to 11 July 2009 and for Phase I Officer Candidates at Fort Meade and Phase III Officer Candidates at West Camp Rapid, SD from 12 July 2009 to 25 July 2009.

Commander's Intent

It is my intent that all Officer Candidates attending the consolidated OCS training at Fort Meade, SD receive the highest level of professional training and leadership evaluation possible in order to prepare them for commissioning. This will occur in an environment designed to fully test each Officer Candidate's mental and physical stamina. The OCS training will be conducted in an environment of support and cooperation among all Cadre. I expect all personnel associated in any way with the Officer Candidates to understand the "OCS environment" and their respective roles. I want to ensure professionalism is maintained at all times.

Chain of Command

- TY **09** Consolidated OCS
  - Phase I Commander – LTC Scott Petrik
    - » CO CMDR – MAJ Bryan Fillinger
  - Phase IIa Commander – LTC John Weber
    - » CO CMDR –
  - Phase IIb Commander – LTC Tim Moran
    - » CO CMDR – MAJ Jon Harris
  - Phase 3/I Commander – LTC Dave Max
    - » CO CMDR – MAJ Orson Ward Phase III
    - » CO CMDR – MAJ Steve Sewell Phase Ib

Goals

- Develop Leaders
- Implement Command Philosophy
  - Soldierization
  - Use of NCO TAC’s
  - No Black Hats in Phase III
- Less than a 5% drop rate
- Ensure all training is quality training

Battle Books

- BN CDR
- XO/S-3
- S-1
- S-4
- CSM
- Medical OIC
- Senior Instructor
- CO CDR
- QA

TDA

- 2LT Chris Long/MSG Konechne

- Future Adjustments
  - TAC to Candidate Ratio
  - Over grade in the slots

Command Philosophy

Balance – Maintain a balance in your life. Take time for family, relaxation as well as work. Time is something you can never get back.

Empowerment – Your program is yours, I expect it to be managed and operated in a professional manner.

Standards – Foundation for success in the Army is discipline, how we measure success is how well our soldiers meet the standard. Know the standards, lead by example.

Teamwork – Team beats self every time.

No one can Medevac themselves!

Are you a team player?

Big

Thank You

Construction Update and Impacts to Training

- Ft Meade
  - Parking lots and road in front of BOQ will be surfaced
- Camp Rapid
  - Significant area will be fenced off
    - Area north of bldg 803
  - Laundry hut will not be operational
  - Separate contractors gate will be installed for construction area
  - May not have the use of the admin area in bldg 803

IN/OUT PROCESSING OFFICER CANDIDATE

- Conducted the first Sat of each 2 week cycle – except Phase III (SD) when it will be conducted for Phase III OC's on Fri night (Phase Ib will be SAT morning)
- For both Phase I's this will now be done as a group on SAT morning, not on the Fri they report!
- POI training begins SAT night at 1830 – OC will need to make this up if they miss it. (New OC's to Phase IIa most likely if they arrive late SAT, 13 JUN)
- Read the OC acceptance memo and bring the materials required to inprocessing!!!
- Uniform for inprocessing is the IPFU uniform (weigh-ins are conducted)

IN/OUT PROCESSING STAFF

- **Please call ahead or email your travel itinerary so we know when to expect you.**
- **You will have to pick up your room immediately when you arrive!!**
- **All Phase I's and Phase IIa staff will conduct inprocessing in the gym when reporting on Saturdays.**
- **All Phase III staff will inprocess at building 803, Camp Rapid if arriving after 9 JUL.**
- **Staff reporting before SAT, 30 May, will report to room 3, building 54 for inprocessing.**
- **Phase IIb and staff reporting at other times will be inprocessed at the TDA BN S1 office (building 54) after 30 May.**
- **Read the staff acceptance memo and bring the materials required to inprocessing!!!**
- **Semi-Annual weigh-in is a requirement, per AR 600-9. If your DA 705 Height/Weight is over 6 months old you need to bring a memo from your unit with your semi-annual info – or it will done here (in IPFU uniform)**

COORDINATING INSTRUCTIONS
STAFF IN-BRIEFING

- **Staff in-brief conducted at beginning of each 2 week staff cycle**
- **Building 54 or gym**
- **1st Sat evening or Sun morning of each 2 week cycle at Fort Meade**
- **A staff inbrief will be conducted at Camp Rapid for Phase III – Time/Place TBD**
- **Bring new staff up to speed on Ft Meade/196th/SD OCS BN policies and ensure that new staff members link-up with their sections**
- **All staff, to include duration, that are not actively engaged with OC's**
- **Informed at staff in-processing, signs will be posted throughout battalion area as well.**

Staff In/Out Processing

Check AKO Email and SD OCS BN Public Website!!!

- Date/Location
  - Staff acceptance letter has time and places.
  - Bring the items on the packing list
- TAC/INSTR
  - Required Documents
  - BN Board Certification

QUESTIONS?

SAFETY

2009 SD OCS BN
ACCELERATED OCS

SAFETY

- #1 TRADOC priority
- Most Heavily weighted item on Accreditation
- Be safety conscious, not risk adverse
- Use of Personal Protective Equipment (PPE)
  - Eye protection – from Army approved list (APEL)
  - Gloves
  - Elbow/Knee pads
- Heat/Dehydration Safety

SAFETY

- References
  - FM 5-19, Composite Risk Management
  - DA FORM 7566, Composite Risk Management Worksheet
  - GTA 21-08-001, Composite Risk Management Quick Reference Booklet

When and Who Prepares a DA Form 7566?

- (1) Daily in the classroom, prepared by the first instructor to teach each day.
- (2) Daily for the battalion, to cover all non-classroom related activities, prepared by the S3.
- (3) For each non-academic training event, such as foot marches, by the OIC & NCOIC for the event.
- (4) For standard non-classroom training, such as morning PT, by the Officer Candidate leading the event and checked by the TAC staff prior to the event.
- (5) For all field lanes training, prepared by the Lane Guide/Instructor/TAC assigned to that lane.
- **The supervisor for the event will have a copy on hand at the event!**

Who is the Approval Authority for DA FORM 7566?

- (1) Extremely High - 196th Regiment Commander
- (2) High - SD OCS Battalion Commander
- (3) Moderate - OCS Company Commander
- (4) Low - TAC or Instructor

How do we Implement Controls?

- Recon/Check training location prior to execution of training
- Coordination meeting safety brief for staff involved in the event
- Safety brief to all OC’s by OIC/NCOIC/TAC/Instructor/OC prior to the start of the event.
- Safety brief items are pulled from the DA Form 7566 for the event.

How do we Implement Controls?

SUPERVISE!!!

HEAT INJURY

- Heat Injury Hazards are Cumulative
  - **H**- Heat category past 3 days
  - **E**- Exertion level past 3 days
  - **A**- Acclimation/ other individual risk factors
  - **T**- Temperature/rest overnight
- Acclimation requires aerobic exercise in warm environment. Simply being outside doing normal activities is not sufficient
- Individual Risk Factors
  - Poor fitness (2 mi run > 16 min)
  - Minor illness
  - Drugs (cold and allergy, blood pressure)
  - Highly motivated
  - Supplements- ephedra
  - Prior heat injury
  - Skin problems- rash, sunburn, poison ivy
  - Age>40

Prevention

- Don’t wait to feel thirsty, your body may need water before you feel thirsty.
- Remind your buddy to drink. Refill your canteens at every opportunity.
- Look at your urine. If it is dark or if you have not urinated, you need to drink more.

Symptoms of mild injury

- Dizziness
- Headache
- Nausea
- Unsteady walk
- Weakness
- Muscle cramps
- These folks need rest, water, evaluation
- These are your “canaries in the mine”

Water intoxication

- Usually occurs in TRADOC units
- Mental status changes
- Vomiting
- History of large volume of water consumed
- Poor food intake
- Abdomen distended/bloated
- Copious clear urine

Preventative Medicine

- Wash Hands Often
  - After latrine use
  - Before touching food
  - After sneezing or blowing nose
- Keep hands away from eyes, nose and mouth
- Cover your mouth with your sleeve when sneezing or coughing
- Drink liquids to stay hydrated
- Wash between toes
- Use foot powder
- Change socks at least daily/switch boots daily
